GOVERNOR'S OFFICE  
OF EMERGENCY SERVICES

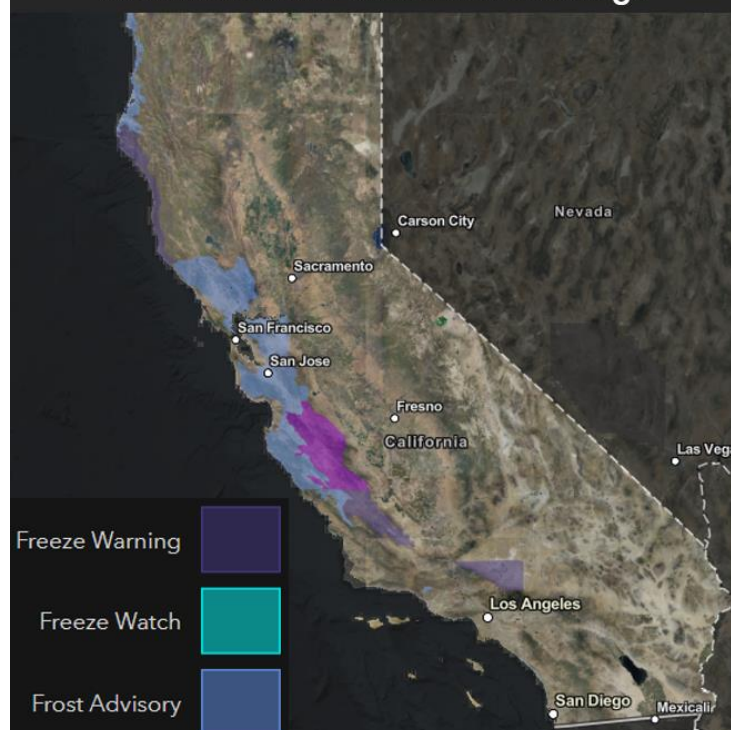

# Situation Cell Incident Report

2022 November Storm Systems Event- **FINAL**

November 9, 2022 – 1300 hours

Report No. 8

## Current Weather Watches & Warnings

## Incident Summary

Precipitation across the state will diminish through the day. Some localized impacts to travel are possible over the Sierra today through midday due to lingering snowfall; however, no widespread impacts are expected.

## Confidentiality Notice

This document is for the sole use of the intended recipient(s) and may contain confidential and privileged information. Any unauthorized review, use, disclosure, or distribution is prohibited without the express written consent of the Cal OES Executive Office.

# Situation Cell Report

## 2022 November Storm Systems Event

Report Date:

11/9/2022

Report Time:

1300

### Situation Cell Overview

#### National Weather Service (NWS)

##### Key Points:

- Precipitation continues to end across the state and all Winter Weather Hazards have expired, as of 1000 hours.
- Much colder temperatures will be noted over much of the state through the weekend, with overnight low temperatures dipping well into the 30s across the Central Valley, and single digits and teens across higher elevations.
- Current Weather Watches & Warnings:** [NWS Hazards Summary \(noaa.gov\)](#)

#### Activations

Organization	Type	Activation Level	Operational Period
Situation Cell	Virtual	Enhanced Watch	24/7
City of Duarte	EOC	Level 3	Will deactivate this afternoon, 11/09/22
San Bernardino County	EOC	Level 3	0700-1900 hours
City of Yucaipa	EOC	Monitoring	Duty Officer

#### Proclamations

County	Local Emergency Proclamation	Local Ratification	Public Health Emergency	Local Health Ratification	Governor's State of Emergency	CDA	Federal Assistance
-	-	-	-	-	-	-	-

#### State Planning/Response Actions

##### Watershed/Debris Flow Task Force

- The window of risk for debris flow and flash flood concerns statewide has now passed. No significant debris flow or flash flood events were reported throughout the duration of this storm event.

##### Fuels Task Force

- California Energy Commission (CEC)**
  - CEC staff is maintaining situational awareness:
    - CEC staff tracking situations that may impact electricity supply.
    - CEC staff tracking situations that may impact liquid fuels supply.
  - CEC will maintain multi-agency reliability team communications and coordinate as needed.
  - CEC media will work with energy principles to coordinate messaging if needed.

#### Inland Region

- Nevada and Placer Counties
  - Interstate 80: As of 1130 hours 11/09/22, Chains are required on all vehicles except 4-wheel-drive vehicles with snow tires on all 4 wheels from Nyack (Placer Co) to Hirschdale Rd /in Truckee/ (Nevada Co).

## Situation Cell Report

### 2022 November Storm Systems Event

**Report Date:**

**11/9/2022**

**Report Time:**

**1300**

#### Coastal Region

- Del Norte County
  - Amplified NWS winter storm messaging via social media.
- Humboldt County
  - Social media posts regarding storm and flood preparedness and amplified NWS winter storm messaging via social media.
- Santa Clara County
  - Will stand up Warming Centers at 8 libraries across the OA. See link for location and hours: <https://emergencymanagement.sccgov.org/residents/cold-weather-safety>
  - OA Inclement Weather Calls through the event.
    - [Valley Transportation Authority and Paratransit has reported they will offer free transport to all warming centers in Santa Clara from 11/09/22 to 11/13/22. County OEM PIO is amplifying this message on social media and local government webpages.](#)

#### Southern Region

- Los Angeles County
  - LA County Public Works (LADWP) released a mud and debris flow forecast for significant burn scars.
    - [Phase Forecast expired at 1300 hours today.](#)
  - School Closures – City of Duarte
    - Valley View Elementary School, 237 Mel Canyon Road, Duarte.
    - School reopened today, 11/09/22.
- San Bernardino County
  - San Bernardino County will continue to assess damages and impacts from this event today, 11/09/22.

#### Cal OES Fire & Rescue

- All prepositions previously in place in Orange (Bond/Silverado/Blue Ridge Burn Scars), Los Angeles (Fish Burn Scar), and San Bernardino (El Dorado/Apple Burn Scars) Counties ended at 0800 hours, today, 11/09/22.

#### Evacuations - Cal OES Law Enforcement Branch

County	Area	Evacuation Warning	Mandatory Order	Fatalities
Orange	Bond Fire Burn Scar Area - Modjeska Canyon, Silverado Canyon, and Williams Canyon	0 (-1,016)	0	-
Los Angeles	City of Duarte – Mel Canyon, between Brookridge and Fish Canyon	0 (-60)	0	-
